D.1. 4/55-48 dated --/--/48. Industries and Commerce Department.

105295 OCT 1948 DEVELOPMENT DEPARTMENT

From

The Joint Director of Industries, [illegible], Madras.

To: The Secretary to Government, Development Department, Madras.

Sir,

Sub: Government Silk Filatures, Mollem- Providing iron bars to the windows and ventilators in the cocoon stores and reeling room- Sanction applied for- Reg.

Ref: This office letter No.D.1/4755/48, dated --/--/48.

In continuation of this office letter cited, I have the honour to state that the Police Investigation has been closed by charge sheeting the theft of the silk fabrics. I shall submit my final report to Government in this regard in due course.

The two important Buildings of the Government Silk Filature where valuable goods are stored are the cocoon stores and the silk room. Both these buildings are very unsafe due to the non-provision of iron bars to the windows and ventilators. The theft of silk cloth which has occurred on 1-8-48 has happened through one of the Ventilators. In order to avoid a recurrence of theft and to ensure safety to the Government property, I submit that the windows and ventilators should be immediately strengthened with iron bars.

I enclose herewith in original 2 estimates with plans (for reference and return), (1) for Rs.360/- for providing iron bars to the windows and ventilators of the silk room and (2) for Rs.345/- for providing with iron bars to the Ventilators now in use in the eastern side wall of the cocoon stores of the Government Silk Filatures, Mollem.

In view of the urgency of this work, I have asked the Sericultural Expert, Government Silk Filatures, Mollem to proceed with the work in anticipation of Government sanction. I request that Government may be pleased to approve my action and sanction an amount of Rs.705/- towards provision of iron bars both in the windows and ventilators as detailed above.

for JOINT DIRECTOR OF INDUSTRIES AND COMMERCE.

Encl: 2 estimates with plan.
